

LASTPASS ACTIVATION

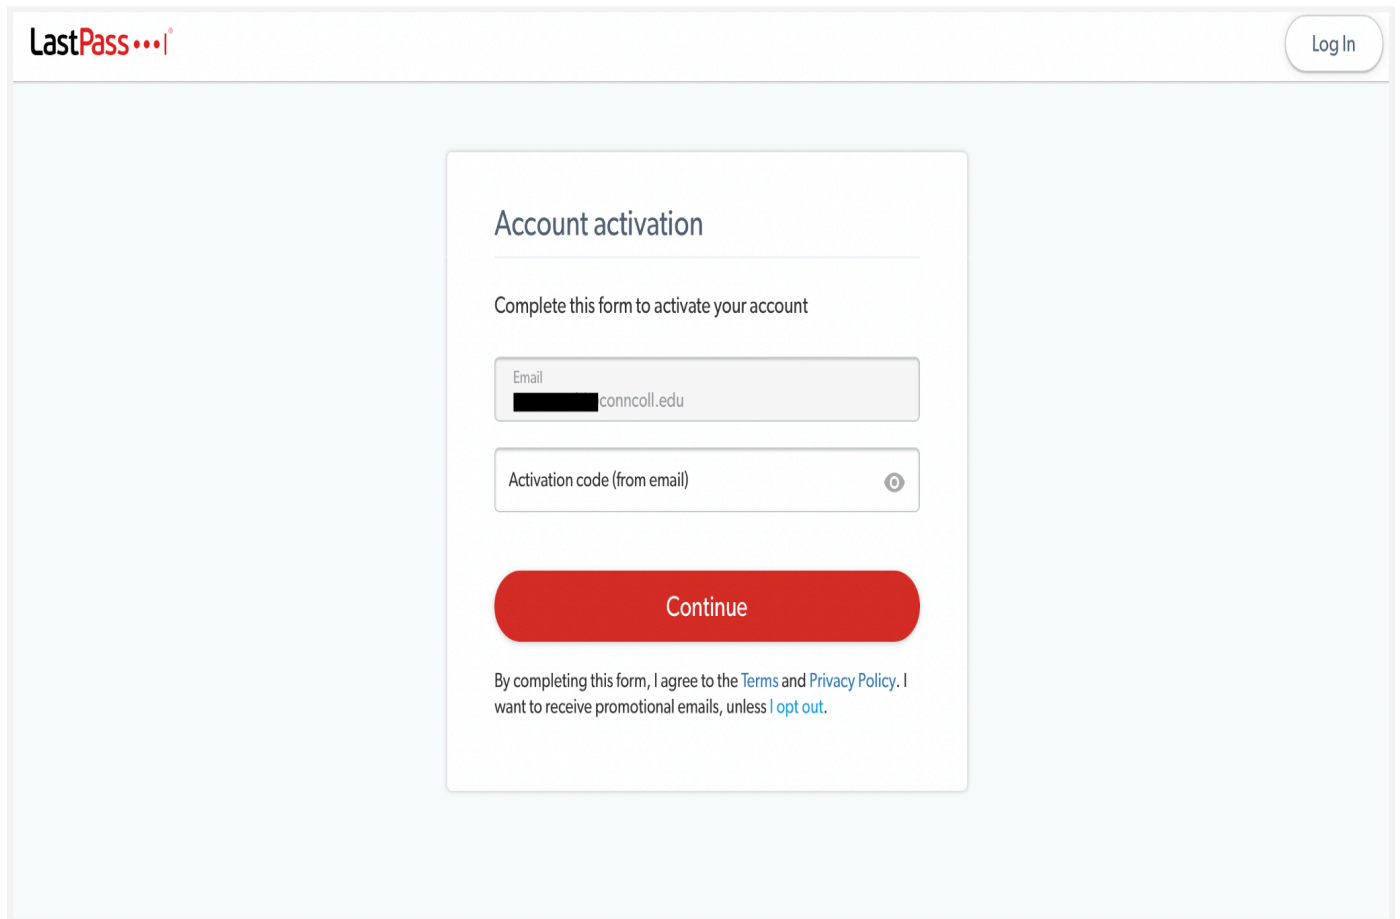

1. Once you receive the activation Email (below), Click 'Activate LastPass'

2. Enter your Conn email address to continue.

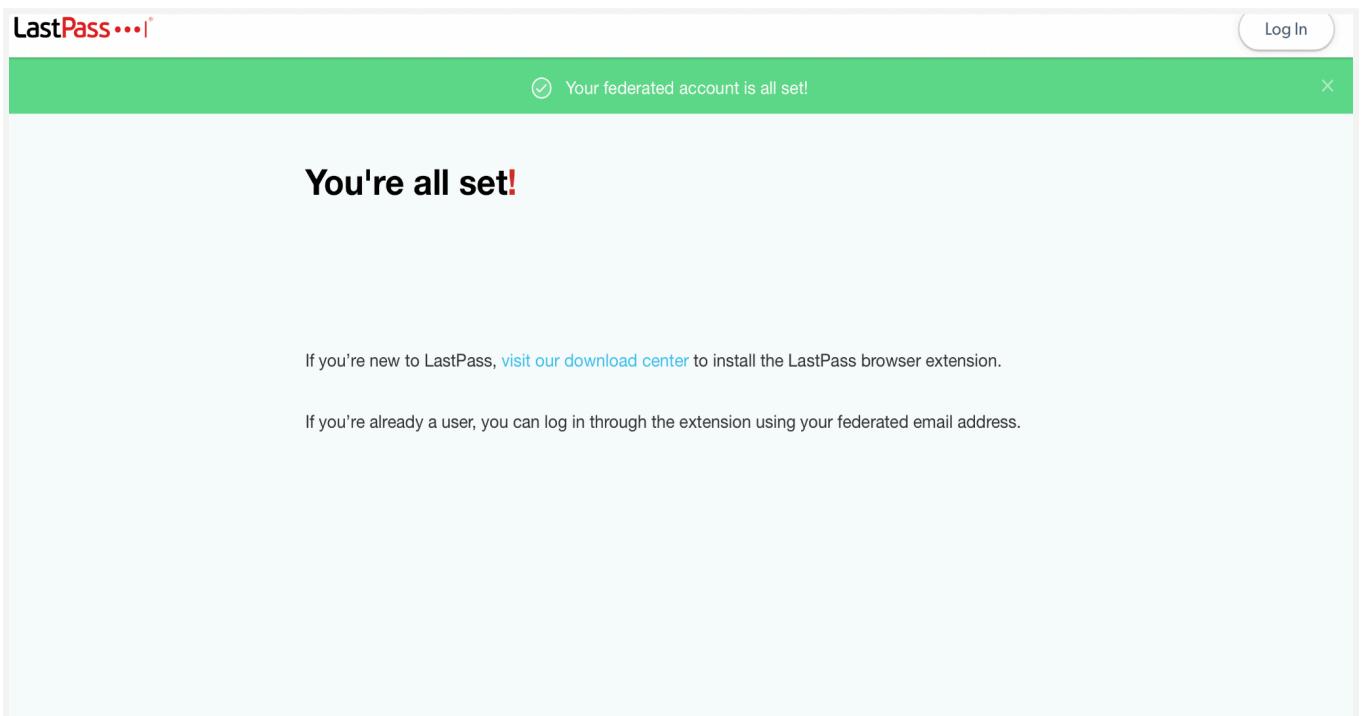

3. Copy & Paste the Activation Code in your email here.

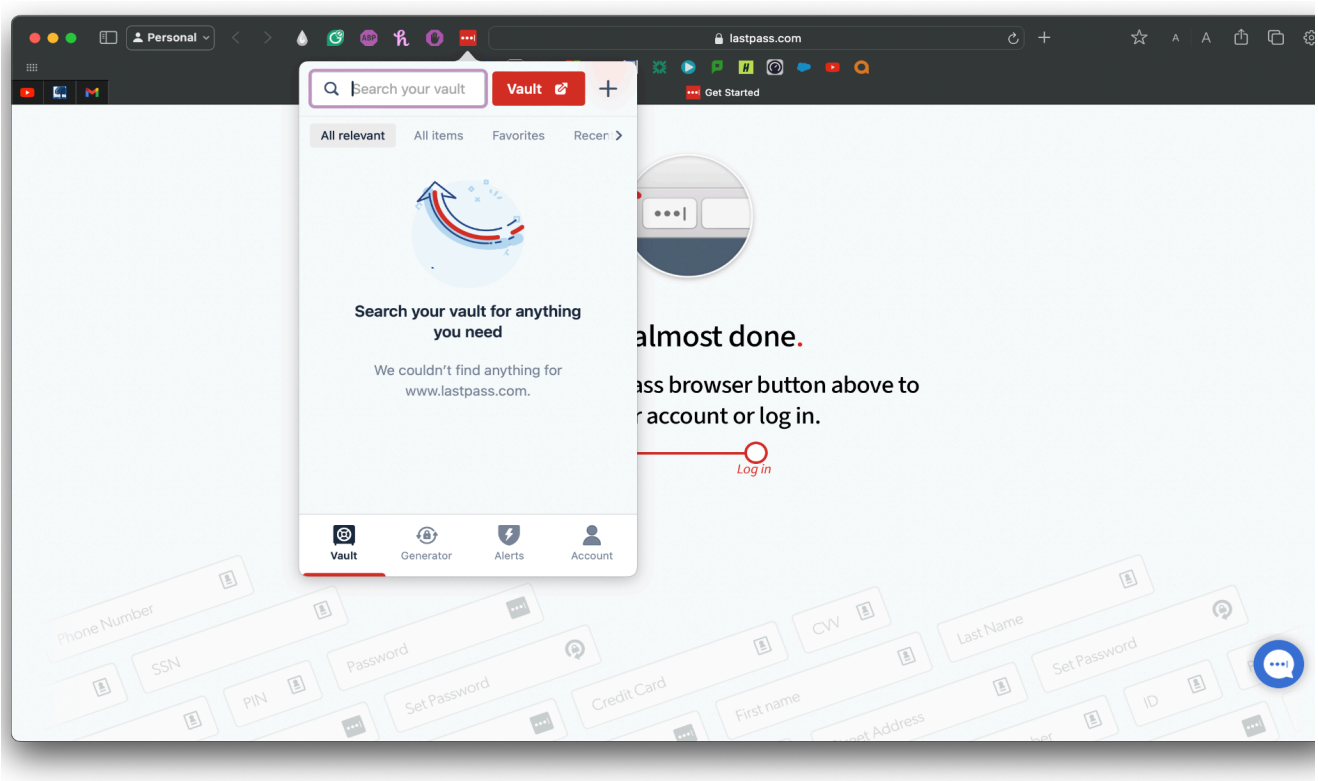

The screenshot shows the LastPass account activation page. At the top left is the LastPass logo, and at the top right is a "Log In" button. The main content is a white box titled "Account activation" with the instruction "Complete this form to activate your account". It contains two input fields: "Email" with the value "conncoll.edu" and "Activation code (from email)". Below the fields is a red "Continue" button. At the bottom, there is a disclaimer: "By completing this form, I agree to the Terms and Privacy Policy. I want to receive promotional emails, unless I opt out."

4. Click the Download Center link to install the web browser extension.

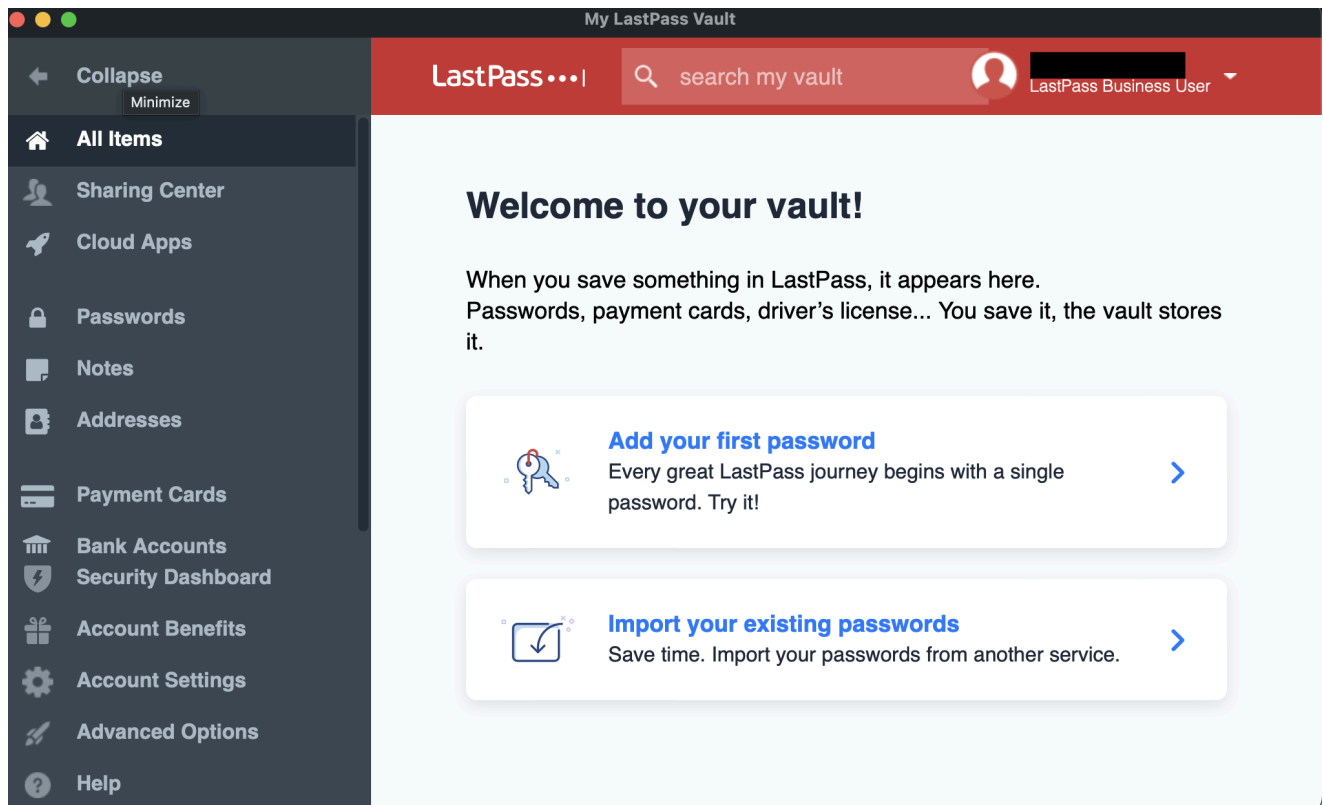

The screenshot shows the LastPass success page. At the top left is the LastPass logo, and at the top right is a "Log In" button. A green notification banner at the top reads "Your federated account is all set!". Below the banner, the text "You're all set!" is displayed in a large, bold font. Underneath, there are two lines of text: "If you're new to LastPass, visit our download center to install the LastPass browser extension." and "If you're already a user, you can log in through the extension using your federated email address."

5 Once installed the icon will appear in the top bar of your browser.

6. Click the extension then click "Vault" to open your vault.

If you encounter any issues or need further assistance, please contact the IT Service Desk help@conncoll.edu or call (860) 439-4357
